LARRY Andros

We, the students of Sonoma Valley Union High School, dedicate this yearbook to all people who comprise our high school district.

They have helped us emotionally, intellectually, and spiritually to develop into future citizens of this community or any other community in which we might find ourselves living.

We hope this yearbook will show how much we appreciate their support of Sonoma High activities.

FOREWORD

Paula Barr

The ever-strengthening relationship between a school and its community becomes more and more apparent each year. The school must depend on its community for survival, since without local support education becomes almost meaningless.

The students of Sonoma High would like to thank our town for its past support, and hope the theme of this year's El Padre, the School and the Community: Their Relationship, will help to express our deepest feelings about Sonoma.

THE EDITOR

Best of luck to you in the years to come.

IN APPRECIATION

Richard O'Neil has given uncounted hours of his time and talent freely in order that this and past El Padres could be published. It is the staff's feeling that if it were not for him the quality and choice of photographs available would provide a much less attractive book. For this we would like to extend to him our sincerest thanks and appreciation.

Responsibility is a duty or obligation which we may entrust to another or accept as our own. How wisely we make the decisions of when to take and when to give is the measure of our individual freedom. Those who are willing and able to accept responsibility increase their stature and strengthen our democracy.

He who "lets George do it" becomes dependent upon George. He who is self-reliant remains free and independent.

THIS IS SONOMA HIGH

Smaller structures snuggling up to the main brown building which looks out over towering trees and spreading lawns.

People—pouring out of late busses . . .

Stragglers—hurrying home from town . . .

Drivers—hoping to find that last-minute parking place.

The gay laughter seeping through the halls.

Talk of the activities of the past and future.

Locker doors slamming wildly as students hustle to and from class.

Students—once finding their class, fight that never-ending battle with lost sleep.

On a winter morning the gym—cold as an icebox, with icicles dripping from the showers.

The mad scramble of traffic as the noon bell rings—a sign apparently meaning head for Vella's the Do-Nut Kitchen, the Matador, or favorite campus spot.

Returning from lunch, students, with full stomachs, books in hand, nothing in mind, rush to avoid those ever-present tardies.

And Fridays, beautiful, wonderful Fridays. Through the halls, smiling faces, happy faces. Excitement rising through each period of the day, and finally 7th period; voices heard yelling in competition . . . the skit with its nervous participants—the results of the competition and the excited class. Yes, this is Friday!

The hush of the crowd before the kick-off, the friendly shouts and chorus in the warm basketball gym, the wisp of dust that curls across the diamond when the pitcher toes the rubber, and the roar of the crowd when a Dragon, thinclad, rounds the far turn into the home stretch and races for the tape.

Yes, the song leaders, yell-leaders, majorettes, band, and drill team are the fun and color that help make up the kaleidoscope that is our school. The spirit, the sameness, the feeling of belonging assist in preparing us for the future.

Long after the school day ends, remain the ghosts of the students—the sad and happy incidents of the day return to the outside world. The world that passes by while we are enclosed in a shell of learning. This is Sonoma High.

Lots of luck to a real swell Gal. Really fun this summer. Virginia

At last graduation is here. This is something that is looked forward to for more than four years. The Senior Prom, banquet and final parties are the ending of high school.

Some think about the future and what it holds; others look back on all the good times had over the past four years at Sonoma High.

Being their last year, the Seniors are trying to make it the best ever. They are the big wheels of the campus and set an example for all classes following.

Best of luck-
Be good - Hope to
see you sometime -

ATHLETICS

VARSIT

This last season the varsity had many hardships and conflicts, not winning a single game, but coming close to beating Petaluma for the first time. Contributing factors to the disappointing season record were a small squad, inexperience, and a losing battle with the flu.

The members of the team learned many things this year about the game of football; and

also, they learned how to take a beating and be men about it. The players will have many memories of the past season of football at Sonoma High.

Mr. Edsall and Mr. Yaich were exceedingly fine as coaches, as leaders, as friends, as men. Their effort was a generous one, and every player both liked and respected them.

Sonoma's "A" basketball team this year looked to be tall and mean, but it turned out that almost every school in the league was in better or at least the same shape.

Lady Luck just wouldn't smile on the Dragons, and they didn't get their first league win until they played Novato. They ended the season with a two win, eight loss record. Both winning games were against Novato.

Coach Koche's netmen proved their scoring ability in the last game with Novato when they won a close 64-62.

Hopes look good for the Dragons next year with perhaps five lettermen returning.

"B" BASKETBALL

Getting off to a slow start the Dragon "B's," with not one returning letterman, lost their first four league games. But then Novato met Coach Costello's improving lightweights, and all the percentages caught up with the Dragons as Novato went down 54-14.

After dropping three more close games, Sonoma came back and dumped Healdsburg 40-36 and Novato 39-21.

The team members were inexperienced, but proved that if given a chance, they could learn. Much of the credit for the Dragons' wins goes to Coach Costello, who, having nothing with which to build a squad around, tried everything he knew to make a winning team of the "B's."

The 1957 "C" basketball championship team was the second for Sonoma High in three years. The first team made its appearance in 1955.

Coach Koche's mighty mites won all but one of their league games; and lost only one of their practice games, by one point to Santa Rosa.

Mr. Koche had this to say about his champions: "This team had the desire to learn and the desire to make themselves good basketball players. They worked as a unit, and we had a good number of players out there."

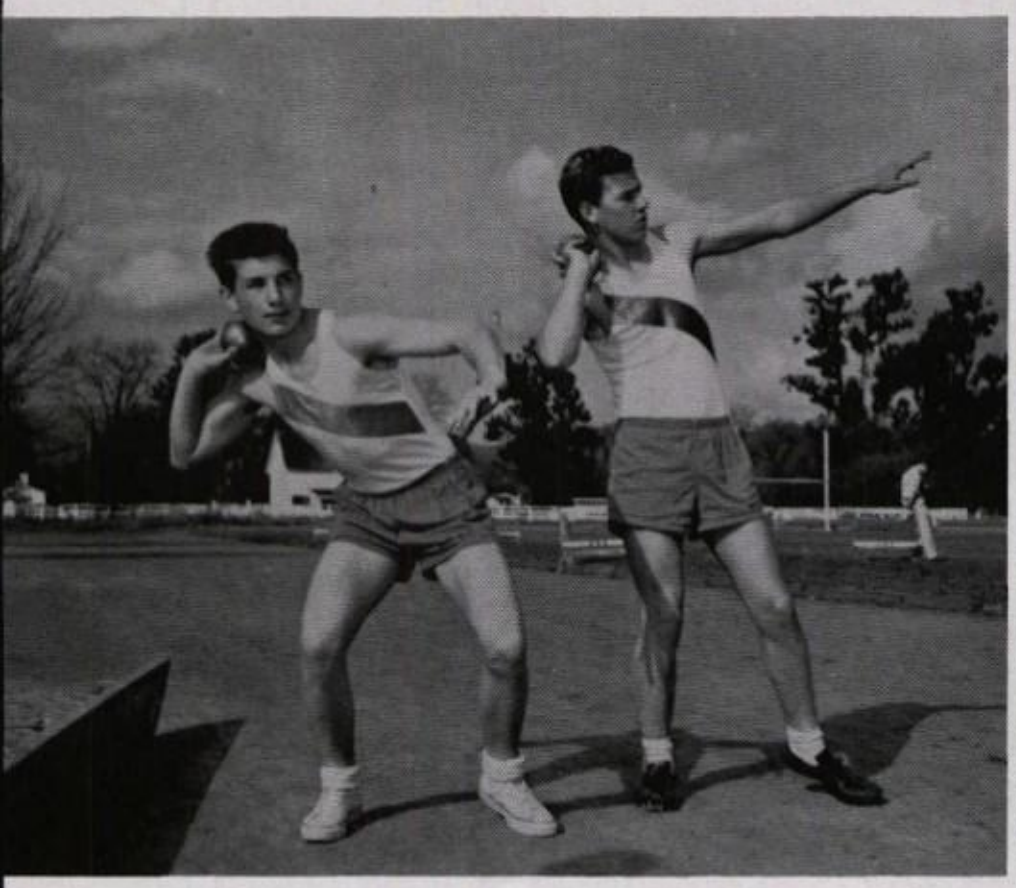
"C" TRACK

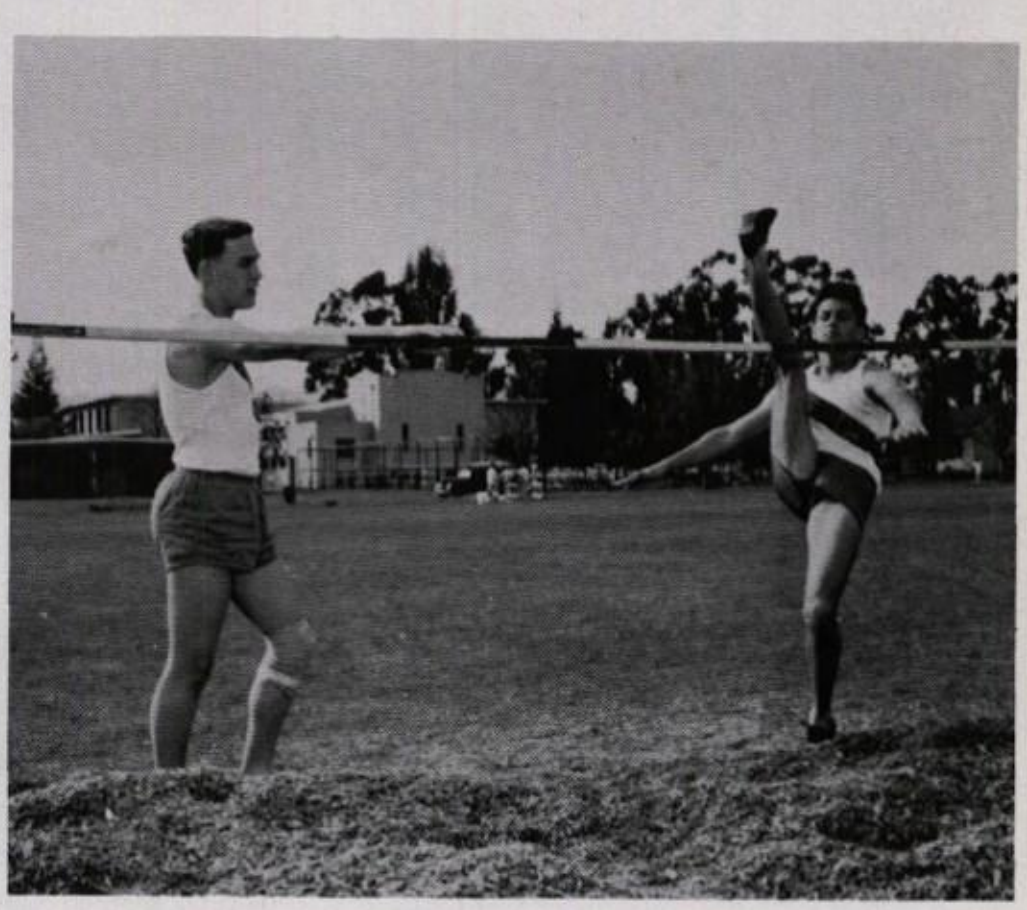
Last year's "A" track team brought another first place pennant for Sonoma. The "B" and "C" thinclads came close, placing second and third respectively.

This year all three track teams will have many experienced lettermen returning. If our guess is right, one of the teams ought to bring another first place N.B.L. Section II track pennant to add to the long line in the gym.

As the El Padre goes to press, we can only paint a pretty picture and hope the boys will come through under the fine direction of Coaches Edsall and Henderson.

First row, left to right: F. Wicks, J. Sparks, B. Duncan, L. Turner, N. Haynes, J. Madden, B. Basileu, D. Tiede, Manager L. Kolb. *Second row:* J. Sheppard, M. Lancaster, J. Benedetto, M. Wills, T. Bravos, R. Glaese, J. Haire, T. Parker.





TENNIS

This year's Tennis squad looks to be in great shape, with all of last year's team returning and then some.

It may be this year that the Dragon netmen can make up for finishing the past two years in sixth place.

Tennis is a sport where experience is a necessity for success. This year's squad has quite a bit of background in the game; and under Coach Clark's keen supervision, they could go places.

First row, left to right: B. Nicholas, E. Murczek, J. Marino, D. Hage, J. Koeberger. *Second row:* E. Fassio, B. Helliwell, G. Brown, J. Scrimger, C. Hipkiss, D. Brown, P. Dennis.

GOLF

"We have a young, but promising team this year," said golf coach David Hughes. This season finds all of Sonoma High's seasoned golf veterans gone. Green sophomores and juniors have been trying hard this spring to fill their shoes.

Golf is a game that demands experience and usually a high school golf team is made up of boys who have been caddies and who have played plenty of golf before they reached high school. It is unusual for a boy to begin playing golf in high school and become good enough for the team.

First row, left to right: R. Johnson, K. Stedman, B. Kruljac, B. Adkins. *Second row:* J. Gracey, R. McKee, J. Von Dohlen, B. Kimes, K. Adkins, Coach Hughes.

VARSITY

As the El Padre goes to press, varsity baseball has not yet gotten under way. Last year's squad were champs; and with eight returning lettermen, the Dragons may be able to win their share again this year.

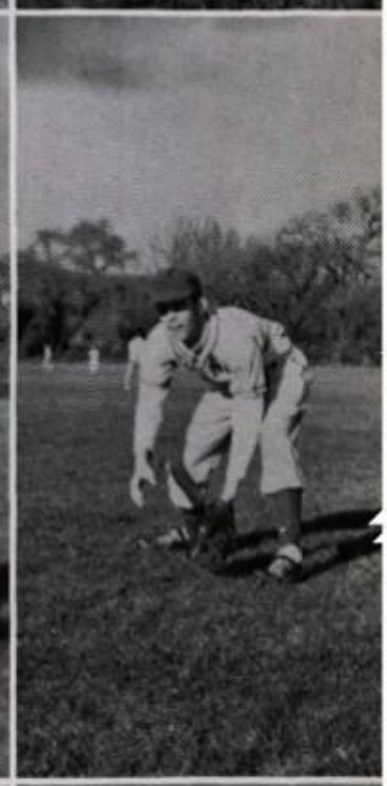
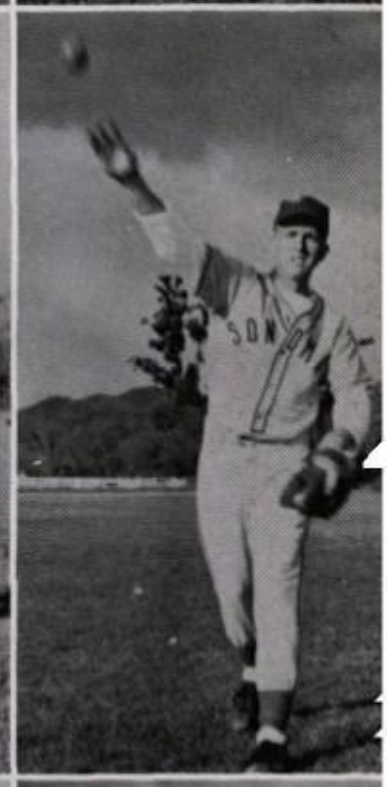
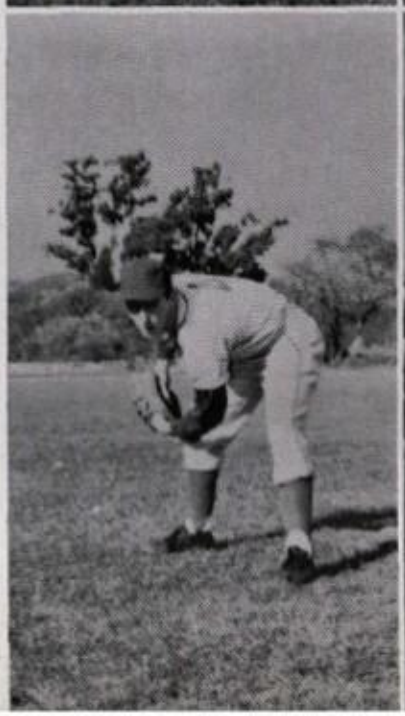
BASEBALL

Coach Yaich's team will be trying its best to repeat last year's wins, plus trying to knock off some tough Section I opponents such as Drake, Santa Rosa, Tamalpias, and Napa. This year's varsity ball club is a scrappy bunch and promises to make competition tough for all opposition.

. Shipman, E. Medieros, L. Wrobel, J. Jennings. *Second w:* Coach Yaich, B. Grieser, D. Bruno, M. Weston.







FROSH-SOPH BASEBALL

First row, left to right: C. Walker, L. Brunanchon, R. Hall, O. Sanders, B. Smalley, H. Brumley *Second row:* G. Massa, B. Lynch, Z. Shipman, C. Garrison, T. Connolly, Coach DeLong. *Third row:* J. Curatto, R. Wrobel, J. Ajax, D. Kobza, R. Lennon.

Frosh-Soph baseball is a real test of a boy's enjoyment of this game. The student who goes out for this team gets no letter, no uniform, and hardly a field to play on; nevertheless, Frosh-Soph baseball always has a big turnout.

This year 50 boys signed up for the team, and chances look good. Coach DeLong will take over the job of coaching the "J.V.'s" while Mr. Yaich moves up to the varsity.

As the El Padre goes to press, the Frosh-Soph team has not played its first game, but with so many players out Coach DeLong ought to be able to put together a pretty sturdy team.

First row, left to right: G. Russell, J. Gilmore, D. Enos, G. Amaral, J. Dean, B. Hickox. *Second row:* D. Hyde, J. Bundschu, M. Nouguier, P. Smith, B. Jackson, M. Considine. *Third row:* J. Sile, R. McAleese, B. Brooner, J. Kobza, H. Draper, G. O'Neil, D. Ross, J. Boyle.

The Camera Club was organized for the purpose of promoting interest in photography among the students at Sonoma High. The members of this club receive instruction in this field. It is given to beginners and more advanced students as well.

The members take pictures of the games and rallies. At school dances they are also active, selling back the pictures they have taken of couples for a small fee.

F.B.L.A.

The Future Business Leaders of America was organized to promote interest in the business field. Club members worked together this year to print the football and basketball programs and the P. T.A. News. Their candy sale of "Golden Butter Bites" was a real success. Several members attended the national convention at San Jose in February. They also had potlucks and participated in different activities during the year.

F.F.A.

The Future Farmers of America is an organization of boys that are studying vocational agriculture. They are planning to farm or become engaged in some type of agribusiness.

This year the Sonoma Chapter has forty members. They are kept busy throughout the year putting on the Barn Dance, distributing March of Dimes containers, competing in contests with other F.F.A. chapters, showing livestock at fairs and entering public speaking contests. They were also guests at a party given by the Foreign Language Club.

G.A.A.

Once again the El Padre staff wishes to express its appreciation to photographer Richard O'Neil whose gifts of time, energy and skill greatly aided the production of this book; to Bill Lynch for some fine sports copy; to Mr. DeLong for his guidance and patience during the year; to Mr. Glaese whose patient understanding eased and speeded our labors and to our advertisers for their necessary support.
